

Dear Walker,

A few weeks ago we had a successful group holiday to Beaumaris, Anglesey, staying at the Bulkeley Hotel. The weather was kind to us, and we had three days of wonderful coastal walks. I emailed everyone in the group following the holiday and everyone was happy with the hotel and the area. I then suggested that as we only scratched the surface of potential walks on Anglesey maybe we could return for a second year. Again, everyone was in agreement with this.

I have contacted the Bulkeley Hotel and asked about terms for 2026. The price will be £95 per person , per night for people sharing a double or twin room, and £125 each (i.e. a £30 supplement) for anyone in a double for single occupancy. A £2 per person increase from this year's price. This is for bed, breakfast and evening meal. The dates the hotel offered is slightly later than this year, it will be **Tuesday 13th October to Saturday 17th October, four nights. Total price, £380 for sharers and £500 for singles.**

As last year, the hotel is just putting aside some rooms for us at the moment. They don't want numbers and names until a month before the holiday. I will contact you all next summer to remind you and ask who is interested. At the moment, just consider the dates, and don't book anything else if you would like to join us.

Please get in touch with me, by email, phone or WhatsApp (not Simon), if you have any questions.

Best Wishes

Anne Murray
